## CUES Year-End Exclusive Membership Upgrade Elevates Potential in the Movement

**MADISON, Wis.**— Now through December 31, credit unions joining CUES at the Unlimited Membership tier may choose to purchase Unlimited+ Membership at no additional cost, a savings ranging from \$1,100 to \$1,480 for U.S. credit unions, depending on their asset size.

“Both our Unlimited and Unlimited+ memberships provide significant value to credit unions, but Unlimited+ includes some additional benefits like access to the compensation surveys and the board governance assessment, not available to Unlimited members,” said Jimese Harkley, JD, CUDE, CUES VP/Membership. “Everyone at a credit union—all staff, executive team, and board members—can be covered under our Unlimited and Unlimited+ tiers, the perfect way for credit unions to offer enhanced professional development easily and affordably.”
